It is wonderful to see the children so engaged in their learning. I am so proud of our new YR children who have so much to remember each day. They are already so confident in the lunch hall and are already able to serve themselves from the salad bar and put away their lunch trays and cutlery.

We are looking forward to welcoming a new member of staff next week, Miss Heron. Her role is to monitor attendance and to support families to ensure high levels of attendance and to provide practical and emotional assistance to families facing challenges.

## Nut free school

Please note that due to several children having severe nut allergies, we are a nut free school. Please check all food items sent into school to ensure they do not directly contain nuts of any kind. Thank you for helping us to keep all our children safe.

### Christmas project

We are delighted to be taking part in Cauliflower's Christmas Project again this year. On 17<sup>th</sup> October your child will be bringing home their own personalized design for our Christmas Project. Through cauliflower cards you can order...

Details on how to place an order will be sent home on 17<sup>th</sup> October.

## PTA Non-uniform Days

In order to prepare for our Christmas events, we ask parents to make donations on our designated Non-uniform Days. Your kind donations are very much appreciated and are used on stalls and really make a difference to the funds raised on the day. If you are not able to make a donation, your child may still come to school in non-uniform on these days. We have significantly reduced the number of these days this year in response to parental feedback.

Date	Suggested donation	Example	Use at Fair
23.10.25	Gift for a dad/male relative or friend	New or unused shower gel, after shave, games, golf balls, socks etc.	The gifts will be sold in the Present Room where children can buy a Christmas gift for their dad/male relative or friend
05.12.25	Bottle	Wine, beer, spirits	The bottles will be used at the Christmas fair for prizes and a tombola

## Parent/Teacher consultations

We are holding our Parent/Teacher Consultations on Wednesday 22<sup>nd</sup> October and Thursday 23<sup>rd</sup> October from 3.30-6.00pm. Please note that Picasso Class slots will be on Wednesday 22<sup>nd</sup> October. These are an opportunity for you to come into school and meet your child's class teacher to discuss how your child has settled into their new class. You will receive an email to your primary contact on Wednesday 8<sup>th</sup> October at 7pm. Please follow the instructions to book a slot. All booking is online. If you have any difficulties with this, please contact the school office. Please note booking will close on Friday 17<sup>th</sup> October at 5pm. Please also note that slots will be for 10 minutes. Teachers will have a timer to ensure slots run to time!

## Autumn Show

We are looking forward to our Autumn Show on Friday 17<sup>th</sup> October. Your child has a leaflet in their bookbag with details about the show. Please bring any entries into the hall before school on this day. Entries can be collected from the hall after school. All the children will get a chance to view all the entries in the show during the day. Reminder that it is the PTA AGM on this day from 2.30pm. Please do come along and support the PTA. Following the AGM, you will be able to collect your child and take them around the show.

## Well Done!

Don't forget to email the school with your child's achievements outside of school so we can celebrate them in our newsletter!

## Mild illness advice

The government have laid out some information which we hope you will find helpful regarding school attendance:

There is wide agreement among health professionals and educational professionals that school attendance is vital to the life chances of children and young people. Being in school improves health, wellbeing and socialisation throughout the life course.

It is usually appropriate for parents and carers to send their children to school with mild respiratory illnesses. This would include general cold symptoms: a minor cough, runny nose or sore throat. However, children should not be sent to school if they have a temperature of 38°C or above. Please look at the [NHS 'Is my child too ill for school?' guidance](#) for further information.

In addition to respiratory illnesses, we are aware that more children may be absent from school due to symptoms of anxiety. Worry and mild or moderate anxiety, whilst sometimes difficult emotions, can be a normal part of growing up for many children and young people. Being in school can often help alleviate the underlying issues. A prolonged period of absence is likely to heighten a child's anxiety about attending in the future, rather than reduce it. The DfE has published useful [guidance on mental health issues affecting a pupil's attendance](#).

# Recycling Fashion isn't Just a Fad.

IT'S A WAY TO HELP THE SCHOOL RAISE FUNDS!

## How can you help?

Situated in between the Infant and Junior Schools is a big GREEN Astra Recycling Clothing Bin. Just bag up items from the list below and pop them in the bin, it's as easy as that. The PTA will receive a donation for all items received!

## Qualifying items include:

- Clothes
- Shoes
- Bed Linen
- Soft Toys
- Towels
- Accessories (belts, hats, gloves, scarves, handbags etc)

## Items that cannot be donated:
