

September 2025

Welcome to the new academic year. We are delighted at how the children have settled back into school and it has been wonderful to hear all their stories about what they got up to over the summer holidays. May I take this opportunity to welcome all our new families. I am really looking forward to meeting you all over the coming weeks.

I have been asked to share a message from Keir Starmer, Prime Minister. This can be accessed via the following link:

Well Done!

I am always delighted to say 'Well Done' in our school newsletter to the children in the school. If your child receives any award outside of school, please let us know via email- adminoffice@frogmore-inf.hants.sch.uk

I'd like to say a HUGE 'Well done' to...

Freddie for completing Yateley Library's Summer reading Challenge

Bailey for completing Yateley Library's Summer reading Challenge and for being awarded a player of the week football trophy

Volunteers

Do you or anyone else you know have a spare few hours each week to volunteer at the school? We are always looking for volunteers to help with reading, playing and occasionally lunchtime duties.

We are also looking for parents/carers who are able to:

- Come into school at 2.45pm and listen to a child read. This can be daily or a couple of days a week. You will be given the same child each time, therefore, you will see the difference your support will make to their reading.

VOLUNTEER

If you are interested, please email the school office on adminoffice@frogmore-inf.hants.sch.uk

Mild illness advice

The government have provided schools with information to share regarding school attendance due to mild illness:

There is wide agreement among health professionals and educational professionals that school attendance is vital to the life chances of children and young people. Being in school improves health, wellbeing and socialisation throughout the life course.

It is usually appropriate for parents and carers to send their children to school with mild respiratory illnesses. This would include general cold symptoms: a minor cough, runny nose or sore throat. However, children should not be sent to school if they have a temperature of 38°C or above. Please look at the [NHS 'Is my child too ill for school?' guidance](#) for further information.

In addition to respiratory illnesses, we are aware that more children may be absent from school due to symptoms of anxiety than before the pandemic. Worry and mild or moderate anxiety, whilst sometimes difficult emotions, can be a normal part of growing up for many children and young people. Being in school can often help alleviate the underlying issues. A prolonged period of absence is likely to heighten a child's anxiety about attending in the future, rather than reduce it. The DfE has published useful [guidance on mental health issues affecting a pupil's attendance](#)

Frogmore Infant School PTA

Recycling Fashion isn't Just a Fad.

IT'S A WAY TO HELP THE SCHOOL RAISE FUNDS!

How can you help?

Did you know we have a clothing bank on the school site where you can donate textile items and earn the school money back at the same time? Last year we managed to raise £133.20 just from donated items and we need your help to raise even more this year!

Situated in between the Infant and Junior Schools is a big GREEN Astra Recycling Clothing Bin. Just bag up items from the list below and pop them in the bin, it's as easy as that. The PTA will receive a donation for all items received!

Qualifying items include:

- Clothes
- Shoes
- Bed Linen
- Soft Toys
- Towels
- Accessories (belts, hats, gloves, scarves, handbags etc)

Items that cannot be donated:

- Duvets or Cushions
- Off Cuts
- Carpets
