

## Community and school active clubs

Dear Parents,

Thank you for taking the time to complete our questionnaire about your child's physical activities out of school.

Your responses are highly valued. They help us to develop our curriculum, playtimes and extra curricula activities to provide a range of opportunities, inspiring your children to be active.

Over 80% of parents who responded to our questionnaire report that the biggest barrier to enabling their child to take part in sports and games outside of school is cost and time.

At Frogmore Infant School, we offer a selection of clubs which take part at lunchtimes and enclose details of these for you. Additionally you will find a list of local clubs, many of which offer free taster sessions and other free, active events. We hope you will find these beneficial to your family.

Throughout the year, we will be inviting other local clubs into school to offer tasters and workshops to give all the children the opportunity to experience different sports and games.

Thank you again for your continued support.

Miss Simpson
