

Information report for SEND- pupil questions

The following questions were raised by children in the school.

What do I do if I am worried in school?	You can always talk to your class teacher or any adult in the school. You can also talk to someone at home and they can talk to your class teacher for you.
What happens in my next class?	You will have lots of opportunities to meet your new teacher before you change classes. You will also get to know your new classroom. Your teacher will give you a special booklet for you to keep with all the important information about your new class.
Can I do the clubs?	The school will always offer a range of clubs and will make sure that there is lots on offer so you have plenty to choose from.
Where will I do my physio?	You will do your physio in a space that is right for you. We will make sure there is enough room for you.
What happens at playtime?	We have lots of equipment to use and your LSA will help you with this. We have musical instruments in our playgrounds that you can play on with your friends.
